# Inspiration & Blessings

BBS International School proudly draws inspiration from the noble ideals and visionary leadership of our revered Babu ji, Shri Brij Behari Sahai, an educationist by conviction and disciplinarian by passion whose lifelong dedication to education laid a strong foundation for value-based learning in society.

*This institution stands as a humble tribute to his enduring legacy carrying forward his vision of imparting knowledge with integrity, discipline and purpose*

Born in a remote village in eastern U.P and hailing from a humble family, Shri Brij Behari Sahai (1909-1996) left his home town Ballia for Prayagraj at the tender age of 13 years in pursuit of higher education and livelihood. His own personal struggles made him deeply sympathetic towards the challenges faced by poor young students in obtaining an education during the earlier part of the last century, a time when educational institutions had been few and far in between. Resolving to do something about the situation, he managed to get a large open plot of agricultural land from K.P Trust Allahabad in the year 1930, where he founded 'KULBHASKAR ASHRAM' – initially set up as a poor students' home to provide them with free of cost shelter and education.

The said poor students' home gradually developed into becoming a self sustaining community, home for some of the most self-reliant, healthy and brilliant students in the city, and in the process drawing the attention of many of the most distinguished minds of the time – personalities such as the first president of independent India, late Shri Rajendra Prasad and the second prime minister of independent India, late Shri Lal Bahadur Shastri, both of whom visited and blessed the Ashram several times in their lifetimes. In the course of time, this humble Ashram which started off as a poor students' home grew into a high school in 1944, an intermediate college in 1950, a degree college in 1960, and finally into a fully fledged post graduate college by the year 1965- and Babuji was appointed as the Principal of Kulbhaskar Ashram Post Graduate degree college - The first agriculture PG college of Allahabad. Babu ji along with eminent personalities such as Vijaya Laxmi Pandit, sister of Jawahar Lal Nehru, was also a founding member of a degree college named 'ISHWAR SHARAN ASHRAM', which was established in Allahabad as a branch of 'HARIJAN SEVAK SANGHA' upon the insistence of none other than Gandhiji himself. Babuji was a pioneer of his times: an astute educationalist by heart, a thought provoking philosopher by temperament, and a selfless philanthropist by nature; his listless tangible achievements are only surpassed by his intangible adherence to his own ideals. Those very ideals are what inspired the foundation of the BBS educational society. His vision continues to, and always will, be the guiding light in the torch of BBS group of institutions, forever illuminating the horizon.

# The Brij Behari Sahai Education Society

*With the vision of immortalizing the educational ideals and values of Late Brij Behari Sahai, BBS Education Society was conceptualized on November 19, 1999 and was formally registered under Society Registration act 1860 in the year 2000.*

Upon the initiative of Dr. Rishi Sahai (Founder of B.B.S Education Society) and under the guidance of many eminent members drawn from diverse fields including educational, administration, medical, technology and entrepreneurship, the Society established its first institution – BRIJ BEHARI SAHAI INTERMEDIATE COLLEGE, was founded in Shivkuti, Allahabad (Now Prayagraj) in the year 2000. Rooted in humble beginnings, the school was founded with simple yet profound vision: that of an infallible commitment of providing children in their most formative years with a learning environment predicated upon the founding pillars of knowledge, discipline and respect. Guided by this vision and driven by a deep commitment to educational excellence, the Society gradually expanded its educational footprint by establishing several institutions –

- ◆ **BRIJ BEHARI SAHAI INTERMEDIATE COLLEGE**, Shivkuti, in the Year 2000.
- ◆ **BRIJ BEHARI SAHAI VIDYA MANDIR**, A CBSE Affiliated School in Kadilpur, in the Year 2005
- ◆ **BRIJ BEHARI SAHAI INTER COLLEGE**, UP Board School in Kadilpur, in the Year 2007
- ◆ **BBS INTERNATIONAL SCHOOL**, A CBSE Affiliated School in Gohri, in the year 2014
- ◆ **BBS MAHAVIDYALAYA**, Higher Education Degree College in Kadilpur in the year 2017
- ◆ **BBS D.El.Ed COLLEGE**, in Kadilpur The Year 2018
- ◆ **BBS B.Ed. COLLEGE**, in Kadilpur in the year 2019

*In two half decades, from a single institution in 2000 to a flourishing family of SEVEN educational centres – the journey continues with the same commitment to knowledge, discipline and values.*

# Welcome Note

## Founder's Message

Education is not merely the acquisition of knowledge; it is the shaping of character, the awakening of curiosity and the nurturing of values that guide an individual throughout life.

The establishment of BBS International School is deeply rooted in the vision and ideals of my revered grandfather, Late Shri Brij Behari Sahai, whose life was devoted to the cause of education and nation building. His unwavering belief that education must combine knowledge with discipline and integrity continues to inspire every initiative undertaken by the Brij Behari Sahai Education Society.

Over the past two decades, our endeavour has been to create institutions that provide students with not only academic excellence but also the moral strength and confidence required to face the challenges of an ever-changing world. We firmly believe that true education must nurture the mind, character and spirit, enabling young learners to grow into responsible and compassionate citizens.

At BBS International School, we strive to provide a learning environment that encourages curiosity, creativity, critical thinking and respect for values. Our aim is to empower students with the knowledge and skills they need to succeed, while instilling in them a lifelong love for learning.

I warmly welcome you to BBS International school, a proud member institution of the 'BBS Group of Schools and Colleges'. Thank you for considering us to be a worthy. — *“Dr. Rishi Sahai”*
